

### **Monthly spending limit**

- Minimum monthly limit amount is HRK 50.00, and each subsequent one is by HRK 50.00 higher (HRK 100.00; HRK 150.00; HRK 200.00 ... no maximum amount is prescribed).
- In the case of tariff models, which contain the monthly fee limit agreed in advance, the monthly spending limit is applied after the monthly fee is spent.
- During one calculation period, the consumer may increase the previously requested monthly spending limit amount, but cannot reduce it.
- The operator's pre-selection service users may request the service of limiting monthly spending from their contracting operator, except in the segment which refers to the agreed monthly fee amount.
- In exceptional cases, the selected monthly spending limit amount may be exceeded in the case of calls via the international roaming service as well as during the call's duration, i.e. until the finished call is generated in the operator's calculation system.
- The cost control service is provided to the public communication services users in mobile and fixed networks.
